INFORMATION DISCLOSURE STATEMENT

Sir:

Pursuant to the provisions of 37 C.F.R. §1.56 and in accordance with Applicant's duty of disclosure requirements, Applicant hereby calls to the attention of the Patent and Trademark Office the items listed on the attached Form PTO-1449 to be made of record in the above-identified application.

The present Information Disclosure Statement is within three months of the filing date and before the mailing of an Office Action in the present application. Accordingly, no filing or petition fee is required.

Applicant presents these references so that the Patent Office may, in the first instance, determine any materiality thereof to the claimed invention. See 37 C.F.R. §§1.97(b), (c) and (d), 1.104(a) and 1.106(b) concerning the PTO duty

to consider and use any such art. Applicant respectfully requests that these references be expressly considered during the prosecution of this application and made of record herein and appear among the "References Cited" on any patent to issue therefrom. While this Information Disclosure Statement may be "material" pursuant to 37 CFR 1.56, it is not intended to constitute an admission that any patent, publication or other information referred to therein is "prior art" for this invention unless specifically designated as such.

Attached is Applicant's Declaration under 37 CFR 1.132 describing certain experimental uses of prototypes of the claimed invention.

Also attached is a "parts list", listing components in the figures and the assigned numerals for the Examiner's convenience in reviewing the specification and figures.

Respectfully submitted,
